

Real Estate Finance Analyst

Company Description:

Lucent Capital (www.lucentcapital.com) is a leading boutique real estate finance and investment advisory firm serving real estate owners, investors, developers and financial institutions nationwide. With more than \$6 Billion of collective experience through cyclical real estate environments, Lucent Capital's team of professionals has a proven track record of delivering sophisticated and creative capital solutions for a wide variety of complex real estate transactions on all major product types. Through tailor-made solutions, executable advice, and reliable financial counsel, Lucent Capital provides its clients with highly specialized advisory services spanning the entire capital markets spectrum.

Job Responsibilities:

The Real Estate Finance Analyst's responsibilities will include, but not be limited to, complex financial modeling and underwriting, creation of investment packages and analyses for capital providers, market research and coordination of loan closings

Requirements:

- Minimum of 2 years of commercial real estate experience in a real estate finance company
- Bachelors degree in Real Estate, Finance, Accounting or related discipline
- Excellent organizational, interpersonal, quantitative, writing and communication skills
- Strong computer skills with an advanced working knowledge of Microsoft Office and Argus
- Self-motivated, team-oriented and strong time management skills to prioritize deadlines
- Strong research, analytical and problem solving skills

Email resume and cover letter (example of previous underwriting would also be helpful) to hr@lucentcapital.com
